

Mandeha ra rehefa manao RS

Posté par micheltana - 14/05/18 à 09:56

Nisy namana izay tena mampalaelo. Fa isaky ny manao RS dia mandeha ra foana izy, tsy mijanona io raha tsy afaka andro vitsivitsy. Nasainay nanantona mpitsabo izy, dia mba nanaraka fitsaboana. Tandremo ihany an! rehefa misy tsy normal dia manantonga mpitsabo haingana, manjary mampalaelo eo dri.
